10 Common Electrical Engineering Interview Questions and Answers

Our Basic Electrical Engineering questions and answers focus on all areas of Electrical Engineering subject. These topics are chosen from a collection of most authoritative and best reference books on Electrical Engineering and also frequently asked Electrical Engineering MCQ questions in the previous year questions papers.

Electrical Engineering Questions and Answers - All India Exams

Are there any travel opportunities / jobs in Electrical Engineering? I don't mean like business trips for 2 weeks to some random country. I mean jobs where you get assigned to different countries for months at a time. I learned Mandarin and Arabic and so I would love to have an assignment in India, China, and the Middle East as well as in Scandinavia.

Question about Electrical Engineering? | Yahoo Answers

Answer – Electrical engineering is a field of engineering that generally deals with the study and application of electricity, electronics, and electromagnetism. This field first became an identifiable occupation in the latter half of the 19th century after commercialization of the electric telegraph, the telephone, and electric power distribution and use.
