Jack, an instructor at Columbia Business School, taught his online entrepreneurship course asynchronously through his institution LMS. He was interested in incorporating a Wiley business text into his course, but wanted to deliver this Wiley content seamlessly with his own reading materials and video content.

Notes: The overall purpose of this course is to supply low-intermediate students with speaking, listening comprehension, reading and writing skills that help them become more successful in their jobs and community. The intensive approach focuses on common errors by comparing and contrasting Spanish and English grammar, with an emphasis on classroom participation.
