Alpha Theory corrects any breakdowns in the decision process of a money manager by identifying the optimal economic decision based on a firm's fundamental research including risk-adjusted return. By fixing these breakdowns a firm can ensure that their best ideas are always their largest positions and that each position generates the maximum amount of alpha for the portfolio.

Choosing a CERTIFIED FINANCIAL PLANNER™ (CFP®) professional is as important as choosing a doctor or lawyer; it's a very personal relationship. Many CFP® professionals specialize in working with certain types of clients, such as small-business owners, executives or retirees. Some specialize in certain areas of planning such as retirement, divorce or asset management.
