This process normally takes two to three semesters, during which you will register for six to nine hours of 4000-level thesis credit.

### **Liberal Studies | Florida State University**

You can argue that correlation does not equal causation until you're blue in the face, Dan. But the correlation is 1:1 across the board — for over ten years. And even if it didn't correlate, it doesn't change the fact every anchor out there — including the ones that have been in service for decades — are experiencing failure events with increasing regularity.
