A trend of the past couple of years has been for scammers to contact computer owners directly via telephone in the United States in an effort to convince them that there is a problem with their PC and they'll need to pay to have it fixed. In general, these people cannot fix anything, and instead they merely charge exorbitant fees for absolutely nothing.

Video Transcript: Hello and welcome to the Qorpak packaging laboratory. Today, we are discussing plastic paneling and the benefits of fluorination. You might be wondering why you would want to fluorinate a bottle. Certain products react with the plastics in a bottle, which causes paneling, such as a sucking in that you might see on your store shelves.

### **Fluorination: The Solution to Plastic Bottle Panel**
