Question: "What is the biblical solution to the problem of evil?" Answer: Broadly stated, the "problem of evil" is the seeming contradiction between an all-powerful, all-loving God and the human experience of suffering and evil in the world. Critics claim that the existence of evil is proof that the omnipotent, omnibenevolent God of the Bible cannot exist.

What is the biblical solution to the problem of evil?

Definition. The term problem solving means slightly different things depending on the discipline. For instance, it is a mental process in psychology and a computerized process in computer science. There are two different types of problems, ill-defined and well-defined: different approaches are used for each.
