It's a chance to add depth to something that is important to you and tell the admissions committee more about your background or goals. Test scores only tell part of your story, and we want to know more than just how well you work. We want to see how you actually think.. Below you'll find selected examples of essays that "worked," as nominated by our admissions committee.

### **Essays That Worked | Undergraduate Admissions | Johns ...**

The Student's t-test is a statistical test that compares the mean and standard deviation of two samples to see if there is a significant difference between them. In an experiment, a t-test might be used to calculate whether or not differences seen between the control and each experimental group are a factor of the manipulated variable or simply the result of chance.
