FOLLOW-UP: Several people have written in voicing their support for high-speed rail as a means of reducing delays. "Here in California," says one reader, "Completion of the proposed high-speed rail link between Los Angeles and San Francisco would help cut air traffic congestion at both LAX and SFO."

THE only reason I'm even half-interesting as a human being is because I listen to an abusive number of interesting podcasts. There's no way I'd be able to hold down the conversations I do if it weren't for someone in a home recording studio feeding me lines.

A definitive list of the 35 most interesting podcasts ever ...

Reading Freakonomics (by Steven Leavitt and Stephen Dubner) was supposed to be a lark for me. You know, perusing fun ideas. There are certainly some of those. Who would believe, however, that the book was full of information about educational reform!

A payday loan (also called a payday advance, salary loan, payroll loan, small dollar loan, short term, or cash advance loan) is a small, short-term unsecured loan, "regardless of whether repayment of loans is linked to a borrower's payday." The loans are also sometimes referred to as "cash advances," though that term can also refer to cash provided against a prearranged line of credit such as ...
