Want More British Spelling? Members are free to add their own words as well. If a word is added that is not part of our database, you will be prompted to add the word, along with a sentence and definition.

British Spelling - VocabularySpellingCity

As with most types of figurative language, students encounter similes in their daily speech as well as in literature. In spite of their frequency, similes may not be as easy as the ABCs for students to understand. In order to understand and analyze a simile, students need to search for keywords, identify the objects being compared, and understand the correlation between the two objects.

Simile Words List - Simile Practice - VocabularySpellingCity

Very helpful! I used the MAP 4th grade practice pack and the practice questions were very close to what the actual test was like. I passed with flying colours.
