Polk County Public Schools administers assessments to students in grades pre-kindergarten to 12th

grade to measure their achievement on Florida's education standards, which were developed and implemented to ensure that all students graduate from high school ready for success in college, career, and life.

### **Assessment | Polk County Public Schools**

So the change in population is 9,000. The percentage of population loss is just the change in population divided by the original population. Turn 0.134 into a percent so that we get 13.4%. So the percent of population loss is 13.4%. To find the percent decrease, we need to calculate the difference ...
