Tracking your time rather than reconstructing it at the end of the month turns out to be really important. As in, not-overbilling-your-clients-by-23% important. Whether or not you share your time records with your clients in real time, you do need to keep a time log. Hopefully that is a no-brainer ...

The trucking industry has affected the political and economic history of the United States in the 20th century. Before the invention of automobiles, most freight was moved by train or horse-drawn vehicle.. Trucks were first used extensively by the military during World War I. With the increase in construction of paved roads, trucking began to achieve a significant foothold in the 1930s.
