Mentorship is a relationship in which a more experienced or more knowledgeable person helps to guide a less experienced or less knowledgeable person. The mentor may be older or younger than the person being mentored, but he or she must have a certain area of expertise. It is a learning and development partnership between someone with vast experience and someone who wants to learn.

A. We believe it is important to choose a school of higher learning based on the quality of education you will receive. Your decision should not be based simply on how much advertising a school does, how old the founder may be, or how many thousands of graduates have been processed through the program.
