Initial Phone Screen Questions. Software engineers infamously receive countless requests from recruiters for conversations about new opportunities.

33 Common Software Engineering Interview Questions | Paysa

It is so easy to distinguish an engineer (or an engineer to be) from a non-engineer. When we interview people for a software engineering position, we want to determine how much of an engineer the candidate is. That's why we ask a fair amount of questions apparently unrelated to software. Real engineers focus on the [...]

Exercises That Will Make You A Better Engineer - 4PSA Blog

seen only as a short introduction to thinking about ethics in the context of software engineering practice, and not as a complete course in software engineering ethics. Module Properties/Design: This module emphasizes learning about software engineering ethics as an applied professional practice. To that end, the module is
