This is a list of atheists in science and technology. A mere statement by a person that he or she does not believe in God does not meet the criteria for inclusion on this list. Persons in this list are people (living or not) who both have publicly identified themselves as atheists, or have been historically known to be atheists, and whose atheism is relevant to their notable activities or public ...

List of atheists in science and technology - Wikipedia

There is also some evidence that exposure to 3DP during these subjects may also improve attitudes towards 3DP [35,183,245]. As one student commented when electing to use 3DP to create biological models, "I feel using the 3D printer to design and create a project allowed me to learn a lot more about the subject than I otherwise would have. However, the most valuable part of this project was the ...

Invited review article: Where and how 3D printing is used ...

A simple method is proposed for use in a scenario involving a single-antenna source node communicating with a destination node that is equipped with two antennas via multiple single-antenna relay nodes, where each relay is subject to an individual power constraint.
