EQAO Grade 9 Academic Practice Questions Geometry

Best Answer: If you simply post your entire homework and let someone else do it for you it will cause you great problems down the line. Math is a process and if you skip steps you will never be

able to catch up. I will not solve it but here are some hints: 1.) If you take the number of words divided by the number of minutes you will get each persons words per minute and you can tell who is faster.
