Saying that it has always been this way, doesn't count as a legitimate justification to why it should stay that way. Teacher and administrators all over the world are doing amazing things, but some of the things we are still doing, despite all the new solutions, research and ideas out there is, to put it mildly, incredible.

Raising school-age children can be awesome. Watching them try new activities, cheering them on at athletic events and applauding their accomplishments at recitals are usually some of the high points for most parents. However, achieving success is often preceded by frustration and sometimes learning to accept one's weaknesses as well as celebrating and building on [...]
