## The Talk.Origins Archive: Evolution FAQs

I too have been insulted by the evolution faithful; "Creation? Are you stupid or what? Everyone knows evolution is a proven fact!" The real problem is not that evolution is or isn't proven but rather that many want it to be a fact, because the alternative to evolution is that there might be a God and that we will one day have to answer up to Him.

## Is the fossil record 'overwhelming evidence for evolution ...

Evidence for God from Science God And Science.org. Is God real or just an outdated concept? Who is God? Do we need God or can we get along fine without Him? These were some of my questions about God before I came to faith. This site provides answers to questions about God, evidence for God's existence, His care and love for mankind, and His provision for joyful living both now and into

## **Evidence for God from Science**

Evidence, broadly construed, is anything presented in support of an assertion. This support may be strong or weak. The strongest type of evidence is that which provides direct proof of the truth of an assertion. At the other extreme is evidence that is merely consistent with an assertion but does not rule out other, contradictory assertions, as in circumstantial evidence.
